Prima Cuvée – Extra Dry – NV

Prosecco

BRONZE - CORRECT

Italy, Veneto

Very youthful appearance here, light straw colour, Youthful mousse, quite fine bubbles. Generous nose, showing slightly more tropical fruit character, with yellow fruit, candied pineapple, some floral hints as well. Youthful palate, with a quite a creamy mousse. Slight hint of sweetness in the background. Rather tropical fruit character. So quite creamy palate, quite lush and generous with that slight hint of sweetness. In terms of structure, it is light towards medium body. But pleasant for its charming fruit and rounded creamy finish. A style to enjoy in its youth.
