Prima Cuvée – Extra Dry – NV

Valdobbiadene Prosecco Superiore

SILVER - GOOD

Italy, Veneto

It is a youthful appearance here, light straw colour with a youthful and vivid mousse. Quite fine bubbles. Fresh nose, good purity. Clean and vibrant with some grapey notes, hints of fresh grapes with some green apple. A slight herbal touch like chamomile, citrus. Good attack on the palate. It is well rounded in terms of texture. Good creamy mid-palate. It is a fairly dry style. Not a lot of dosage. The finish is really crisp and dry. Youthful with pleasant fruit. Drinks really well now. A pleasant style to drink in its very youth.
