Bodegas Franco Españolas – Bordón Viña Sole Tête de Cuvée – 2018

Rioja

PLATINUM - EXCELLENT

Spain, Rioja, Gran Reserva

Bright light golden colour. The nose is complex with fine development, yet without oxidation, pure and layered with mild oak and crushed nuts, lees-derived creamy and pastry hints with yellow fruit and candied citrus. The palate is textured with a well-preserved freshness, mild extract and a bundance of nutty fruit, fine oak integration, good level of complexity and a long persistent finish.
