Michel Genet – MG BB Nature – NV

Champagne

PLATINUM - EXCELLENT

France, Champagne, Grand Cru Brut

Luminous and bright with youthful energetic bubbles. Pure and refined, vinous and chalky where hazelnut, ripe lemon zest, pale stone fruit and floral hints meets some lees derived brioche and fresh butter, youthful but still complex. The palate is bone dry but not austere with a mellow creaminess, bright acidity, succulent yellow fruit and nutty notes with good purity and definition leading to a long lingering finish.

- Tasted by Andreas Larsson: 20/06/2025
- Color: White
- Vintage: NV
- Chardonnay
