Weingut Johann Schneeberger – Sauvignon Blanc Kittenberg – 2014

Sudsteiermark

SILVER - GOOD

Austria, Steiermark

Light golden colour, still with a green hue. Very intense nose, generous fruitiness here, more on the tropical side, yet it is underlined by a lot of green notes, like fresh herbs, fresh cucumber, lime and lemongrass. Quite exotic but good purity, good sensation of freshness. Good grip on the palate. There is a good degree of ripeness here, but it still keeps classically bone-dry with a high level of acidity. Good freshness and toned downed bitterness. Just some zesty notes of lemon and lime. Quite long and lingering finish. Medium weight. It appears pretty youthful but I find it feel it is quite attractive with a good drinkability.
