Furstlich Castell’sches Domanenamt – Kugelspiel – 2015

Franken

GOLD - DELICIOUS

Germany, Franken, VDP. Erste Lage

Bright straw colour with a green hue. Youthful and intense nose showing a chalky minerality, fresh almond, lemon zest and some underlying tropical fruit. The palate has a very good bite, distinctly dry and firm in the positive sense, salivating and invigorating with young but elegant fruit, lemon and lime zest, dense core and very good length, young and very promising.
