Cantina Tramin – Unterebner Pinot Grigio – 2015

Sudtirol/Alto Adige

SILVER - GOOD

Italy, Trentino

Light golden with a green hue. Nuanced nose of discreet (if any) wood, there's some nuttiness and butter notes suggesting wood paired with yellow fruit. The palate has good grip and extract, finely balanced with ripe yellow fruit, crushed almond and butter notes, ripe and rounded texture with a long and layered finish.
