Celler Ronadelles – Cap de Ruc – 2016

Montsant

GOLD - DELICIOUS

Spain, Catalunya

Medium deep golden colour. Intense nose, rich and ample perfume of ripe stone fruit, apricot, spices and some flinty notes, a rather "alternative or "natural" style, yet pure and non-oxidative. Very nice palate, structured and bold, some skin maceration it seems, fine extract and zesty citrus notes with riper tropical hints, a well-preserved freshness and good concentration without heaviness, and a long and layered finish. Complex and full of character.
