Domaine Boehler – Hahnenberg – 2018

Alsace

GOLD - DELICIOUS

France, Alsace

Bold golden colour. The nose is certainly an "alternative" style, far from primary fruit, rather dried mango, honey, sweet pepper and orange zest. Ample palate with a fine bitterness (it feels like skin maceration), yet balanced in that style with a nice flavour intensity, papaya and mango flavours with plenty of spice and an underlying freshness followed by a long rich finish. Well-made in an "alternative" style.
