Cave de Roquebrun – Les Fiefs d’Aupenac – 2021

Saint Chinian

GOLD - DELICIOUS

France, Languedoc Roussillon

Light golden colour with a copper hue. The nose displays some new oak and vanilla with ripe apricot, plum and honey notes. Dense and structured palate, ripe and warm yet with a fine sensation of freshness thanks to a balanced bitterness/extract, tropical fruit notes with a mild oak presence and long ripe finish.
