Domaine Jean Marie Reverdy – Les Villaudes – 2020

Sancerre

GOLD - DELICIOUS

France, Loire Valley

Bright golden colour. Intense and pure nose with some chalky notes and rather exotic yellow fruit like passion fruit, pineapple and sweet citrus, a gentle hint of oak or extended lees ageing contributing with a nutty and creamy presence on the palate, good volume and richness with a long and lingering finish. Ambitious and well made in an somewhat atypical style with a very good result.
