Engehöller Bernstein Am Lauerbaum

PLATINUM - EXCELLENT

Germany, Mittelrhein

Light golden colour and hue. Mature nose offering some flinty and toasted notes, yet no oak, rather evolution, sweet stone fruit flavours, apricot and candied citrus with dry spices and roasted nutty notes. The palate remains dry but displays some mature sweetness and ample ripe fruit, pure without any oxidation showing good layers and nuance followed by a long and lingering finish. Perfect drinkability.
