Bodegas Avancia – Nobleza – 2023

Valdeorras

PLATINUM - EXCELLENT

Spain, Galicia

Bright straw color with a green hue. Youthful nose showing some oak-derived spice and toast notes with grape, citrus, pepper and fresh stone fruit notes. The palate is rather full and flavor intense, spicy with intense young fruit, good oak integration on the palate, will be even better in the coming few years, substantial with good character and a long persistency.
